Reasons For Allowance

1. Claims 1-9 & 19 are allowed.
2. Claims 10-18 & 20-25 have been canceled.
3. The prior art of record fails to disclose or suggest features recited in the amended claims.
4. The following is an examiner's statement of reasons for allowance: The Independent claim describes labeling observations of a mode containing both audio and video. Vegas teaches video editing software that allows the user to annotate video and audio, cut/paste, associate transitions modify video clip locations etc. The Claims however describe a different annotation system from Vegas, for example it allows the user to make annotations by labeling pre-defined set of multimedia descriptors by selecting checkboxes that includes foreground and background sounds. Based on the audio the sounds interpreted by a user are labeled from a predefined set. Gupta also fails to disclose any features regarding predefined checkboxes for annotating sounds. Vegas fails to teach or suggest this labeling based annotation system. Note: This application has a priority date of 12/20/2002 of parent application number 10/539890.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
